Principal Secretary to Government GVWV&VSWS Department:

The Principal Secretary to Government GVWV&VSWS Department has explained the status of 18th December 2020 JaganannaThodu & PM SVANidhi Loan disbursement. He said that the progress is good and it is not best about the 18th progress since all Districts achieved 28938 against the 17th December progress of 28660 which is a nominal or no progress. In the last 5 days because of Special Drive in all Districts Bankers are disbursed 102694 loans. He expressed his dissatisfaction on more number of Bank Branches since even today 4931 Branches progress is ZERO out of 6575 Branches. Even after lot of Special Drive by the Government Machinery, SLBC and Bank Higher Authorities, still 4931 Branches are not delivered even a single record which shows the callous and negligence of the Bankers which is not tolerable. The Hon'ble Chief Minister also reviewed and questioned about the slow progress. Further he said that the Hon'ble Chief Minister directed to show better progress on YSR Bima enrolment, YSR

Cheyutha and Jagananna Thodu / PM SVANidhi Loan disbursements, else he may take any other view. The Principal Secretary to Government, GVWV&VSWS Department has expressed his hope that the SBI authorities may issue the Product Code by Monday to their Bank Branches and geared up the progress. After deliberations he has issued following instructions.

- District Collectors of Ananthapur, Vizinagaram and Krishna are requested to more concentrate and show progress at least with on par with other Districts.
- Bank Controllers are requested to monitor 4931 ZERO performance Branches since these Branches not disbursed a single loan of Jagananna Thodu which is intolerable.
- Some Bankers are rejecting the applications even after sanctions given, they requested not to reject the sanctioned applications otherwise progress will be in decreasing trend.
- Bankers are requested to concentrate more on Saturday and show remarkable progress since other customers may not visit the Bank Branches.
- Bank Controllers are requested to make necessary in charge arrangements to the Vacant post of Bank Managers otherwise the momentum will be slowed.
- Bankers are requested not to charge the documentation charges / inspection charges to the Jagananna Thodu / PM SVANidhi beneficiaries. Not to delay the loan disbursement for want of inspection because of all these units are inspected by the GVWV&VSWS/ MEPMA/ SERP/ DRDA and Municipal Staff and identity cards also issued by the GVWV&VSWS Department / ULBs.
- The Director, Animal Husbandry Department is requested to contact SBI authorities & Other Bankers and sort out the YSR Cheyutha Scheme issues relating to his Department.

Secretary to the Hon'ble Chief Minister:

The Secretary to the Hon'ble Chief Minister has expressed his dissatisfaction and anguish. He said that the issue of slow progress of YSR Bima enrolment, YSR Cheyutha and Jagananna Thodu / PM SVANidhi Loan disbursements came up in the Cabinet and the Council of Ministers also expressed their dissatisfaction. The attitude of the SBI authorities regarding sharing of YSR Bima data and generation of product code for Jagananna Thodu flagged with Hon'ble Chief Minister and he directed the Principal Finance Secretary to contact the SBI Top Management and sort out the issue by Monday/Tuesday. After deliberations he has issued following instructions.

- Bankers are requested to share the YSR Bima valid data to the Branches or otherwise share the bulk data to the SERP so that they will update backend in the YSR Bima portal.
- Bankers are requested to complete the YSR Bima enrolment within a reasonable time otherwise if any claim comes they will be held responsible since entire premium amount was released on 21st October 2020.
- 10 to 15 meetings were conducted with Bankers before starting of the YSR Bima program but now they are raising many questions and deliberately postponing the YSR Bima enrolment which is not acceptable, the same will be viewed seriously and the Bankers will personally be held responsible.
- The District Collectors of Krishna, Nellore, Ananthapuram are requested to concentrate and coordinate with the Bankers. In Machilipatnam of Krishna District Bankers have disbursed 30 Jagananna Thodu Loans only since inception of the program and same issue was raised by the Hon'ble Minister for Transport in the Council of Ministers Meeting held on 18.12.2020.
- Collectors are requested to contact Top Officials of Banks and show progress.
- Post Cabinet also the Hon'ble Chief Minister has reviewed the progress of these schemes and directed to continue the Special Drive until the clearance of the last beneficiary by the Banks, otherwise Government may force to initiate the action against the Bankers.

Principal Secretary to Government, PR & RD Department:

The Principal Secretary to Government, PR & RD Department has explained the 18th December 2020 progress of YSR Bima enrolment & YSR Cheyutha expressed his satisfaction and requested the Bankers to keep on continue the same tempo with accelerated speed of progress and issued following instructions.

- Bankers are requested to make necessary in charge arrangements immediately wherever the Bank Managers' positions are vacant, otherwise it is a waste of time to the staff deployed at the Bank Branches.
- SBI authorities are requested to issue necessary instructions to all the Bank Branches to more concentrate on the enrolment of YSR Bima and YSR Cheyutha loan disbursement until Jagananna Thodu product code comes.

- Bankers are requested to share the valid and invalid data of YSR Bima to the Bank Branches to update the same or otherwise share the bulk data to the SERP so that SERP Staff will update in the backend of the YSR Bima portal.

Chief Executive Officer, SERP

The CEO, SERP has explained about the progress on YSR Bima and said the Server is working in good speed and with required Data Flags. After deliberations he has issued the following instructions.

- SBI considered 24 lakh YSR Bima records as valid out of 32 lakh data, but they shared only 4 lakh valid records to the Branches. They may share the entire valid data to the Branches or SERP to update the same. If they shared the data to SERP, the SERP will update the data in backend of the said portal, since there is no point to keep the valid data with them.
- Bankers are requested to nominate Officers with authority to enroll YSR Bima and disburse YSR Cheyutha & Jagananna Thodu Loans wherever Bank Managers' posts are vacant so that they will do some progress, otherwise Government Machinery standing in Branches is waste of time.
- Some Banks are grounding / enrolling 5 or 6 per day instead of showing considerable progress. Therefore the Bank controllers are requested to fix target not less than 100 or any good figure based on the capacity of the Branch and review the same.
- All Bankers are requested to share the YSR Bima Data to the Branches or otherwise to SERP to update the same in the portal.

SLBC, Coordinator:

The SLBC, Coordinator has explained about the progress and he requested the Bankers to speed up the YSR Bima enrolment and to see to complete it by the end of December 2020. Further he advised the Bankers not to insist the inspection of units since responsible Government staff are inspecting and may rely on their reports and Aadhar is sufficient for KYC of the beneficiary.

Finally Principal Secretary to the Government, GVWV & VSWS Department requested the Collectors to call the Bank Controllers, Joint Collectors (VWS & D) & (Asara) are requested to call the Bank Coordinators & LDMs & DLDOs, MPDOs, SERP Staff, DRDA Staff, MEPMA Staff & municipal Staff shall visit the Bank

Branches and show significant progress on these schemes and the drive will continue until coverage of the last beneficiary.
